## INTERIOR AND FURNITURE DESIGNER

### \* DSGNSIA

**Founder, Interior & Furniture Design**

**Los Angeles**

**June 2023 - Present**

Interior and furniture designer working across residential, hospitality, and commercial spaces, with a background in business and analytics. Founder of DSGNSIA, a studio focused on modern soft brutalist interiors and sculptural furniture. My work has been exhibited in Los Angeles and Miami and recognized through international design awards. I focus on creating spaces and objects that feel intentional, combining strong visual identity, material exploration, and practical function.

- Founded DSGNSIA, a design studio working across interior environments and sculptural furniture rooted in modern soft brutalist aesthetics
- Design and produce collectible furniture and textile objects, including custom blanket production and limited-run pieces
- Provide residential interior design services including spatial planning, sourcing, and custom object development
- Develop work focused on material reuse and sustainable design, transforming discarded materials into functional objects
