

# AUDREY ALLEN

## Selected Design Experience

### **Comprehensive Design Studio – National Geographic Headquarters | 2025**

Developed a large-scale commercial headquarters concept emphasizing storytelling through space, integrating immersive environments, spatial hierarchy, and brand-driven design.

### **Advanced Commercial Design Studio – Assisted Living Facility | 2025**

Designed a wellness-focused senior living environment prioritizing accessibility, comfort, and connection to natural surroundings through materiality and layout.

### **Commercial Design Studio – Farm-to-Table Restaurant | 2024**

Created a restaurant concept centered on sustainability, incorporating natural materials, efficient spatial flow, and an inviting dining atmosphere.

### **Residential Design Studio – Section 8 Housing | 2023**

Designed a four-story residential housing solution focused on functionality, community, and efficient use of space while maintaining a welcoming environment.

## SKILLS

**Technical:** Revit, AutoCAD, SketchUp, 3ds Max, Adobe Creative Cloud (Photoshop, InDesign, Illustrator)

**Design:** Space Planning, 3D Rendering, Perspective Sketching, Material Selection
