

TANCHANOK (EIKKI) SARANAD

Interior Architect | MA Candidate (STEM-Designated)

Phone: +1 (415) 310-9808

Email: Tsaranad2@art.edu

Location: San Francisco, CA

PROFILE

Passionate Interior Architect currently pursuing a STEM-designated MFA at the Academy of Art University. With a Bachelor of Architecture (B.Arch) background and professional experience in luxury design and materials, I focus on blending technical rigor with human-centric design across the hospitality and wellness sectors. Recognized for academic excellence and a commitment to creating impactful, sustainable environments in the Bay Area.

EXPERIENCE

Sales Designer Executive | *ARKITEKTURA Co., Ltd. (2024–2025)*

- Specialized in luxury furniture consultation and maintained high-net-worth client relationships while delivering exceptional service.
- Leveraged architectural expertise and **AutoCAD** to conceptualize and present innovative interior design solutions and detailed proposals.
- Managed the entire sales process, from business development and client outreach to post-sales follow-up.

Account Manager (Sales) | *LETA STONE Co., Ltd. (2023–2024)*

- Led demonstrations of premium quartz stone products, highlighting technical benefits to prospective clients.
- Coordinated with factory personnel to ensure efficient order fulfillment and resolved client concerns promptly.

Architectural Designer (Internship) | *THE BEAUMONT PARTNERSHIP*

- Supported lead designers in project conceptualization using **SketchUp /AutoCAD** and architectural drafting for large-scale developments.
-

PROJECTS

Healthcare Design: Sanctuary Medical Practice (Winthrop, AR) * Executed the **adaptive reuse** of a 1913 Colonial Revival landmark into a modern medical facility.

- Utilized **Revit (BIM)** to integrate clinical functions into a historic shell while preserving original architectural features.

Hospitality Design: American Dining (San Francisco, CA) * Developed a hospitality concept focusing on modern operational efficiency and historical context within the Bay Area landscape.

Community Design: Elderly Community Center (Thesis Project) * Designed a specialized community space focused on **social sustainability** and well-being for aging populations.

KEY SKILLS

- **Design & Drafting:** Revit (Advanced BIM), AutoCAD, SketchUp, 3ds Max, Construction Documentation, Adaptive Reuse, Space Planning.
 - **Visual Communication:** Adobe Creative Suite (Photoshop, InDesign, Illustrator), Digital Rendering, FF&E Selection, Material Board Curation.
 - **Professional:** Fluent in English and Native Thai, Project Management, Client & Vendor Relations, Cross-functional Collaboration.
-

AFFILIATIONS
